Welcome to Timesaver holdings Documents Online

We produce genuine registered documents which are legally used and we also produce Fake or Novelty documents which are just use for camouflage and can not be use legally, these types of document are not important so we produce on high demand and order We also work with agents from top embassies within the world who have all our clients information processed from within and have everything authenticated in the supposed database system. Apply for documents online

So everything we do regarding the production of a driver's license genuine passport, SSN, ID card, Birth Certificate, Visa, PR, Diplomas and many other documents are genuine and all the real documents that can be legally used. We process passport for Canada, USA, Germany, UK, Belgium, EU countries, South Africa and other parts of the world. Feel free to contact us anytime you wish. We are the right people to sort out any documentation issue you may have. Whether Genuine or Novelty Document

### ABOUT REGISTERED DOCUMENTS

- 1) Real documents are registered in the national database and contain all the applicant's vital information.
- 2) Genuine documents comply with all the legal requirements imposed by authorities. They can be used for border crossings and other cases involving scanning procedures.
- 3) With real ID cards or driver's licenses, you can apply for renewal when needed.
- 4) Genuine documents will cost more because they need to be registered according to the official requirements.
- 5) With all registration issues in mind, production of real documents takes 4 to 6 days.

### ABOUT FAKE DOCUMENTS

- 1) Fake documents are not registered in any system. They are issued to a person for camouflage purposes only.
- 2) Although they do look like government-issued ones, false documents shall not be scanned by data-reading machines as your personal information is not going to show up.
- 3) You cannot apply for renewal if your ID card or driver's license hasn't been registered previously.
- 4) As no paperwork is required for producing fake documents, they are priced much lower.
- 5) In most cases, your false document will be ready in a days or two.
