German passport application

We use real sophisticated materials for creating documents.

Whether real or fake documents, we use the same quality materials.

The same materials that are used by all the authorities are the same materials that we use to create real documents.

So everything will be 100% of the highest quality.

All of our documents bear the secret features and could be seen under UV light with full spectrum Holograms.

We digitally scan the fingerprints you send us and register them in the alleged database system.

We assure all of our customers 100% SECURITY
